

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENTUCKY UTILITIES COMPANY     ) CASE NO.  
FOR AN ADJUSTMENT OF ITS ELECTRIC RATES     ) 2014-00371

COMMISSION STAFF'S REQUEST FOR INFORMATION  
TO THE KENTUCKY CABLE TELECOMMUNICATIONS ASSOCIATION

The Kentucky Cable Telecommunications Association ("KCTA"), pursuant to 807 KAR 5:001, is to file with the Commission its electronic responses, a paper original, and three copies of the following information. The information requested herein is due no later than April 6, 2015. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

KCTA shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

KCTA fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a response containing personal information, KCTA shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the response so that personal information cannot be read.

1. Refer to the Direct Testimony of Patricia D. Kravtin (“Kravtin Testimony”), page 4. The Testimony refers to the test year in this case as being the 12 months ending October 31, 2014.

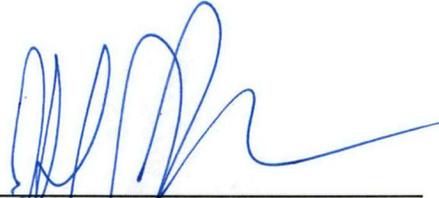

a. Explain the use of this period for the Kravtin Testimony and Attachments rather than the 12 months ending June 30, 2016, which is the actual test year in this proceeding.

b. Provide a revised Attachment 2 to the Kravtin Testimony which calculates the pole attachment charges based on the test year ending June 30, 2016. Provide the Attachment in Excel spreadsheet format with the formulas intact and unprotected.

2. Refer to the Kravtin Testimony, page 16, and Attachment 2. Page 16 states that “temporary placeholder for actual values” were used in Ms. Kravtin’s pole attachment charge calculations. Provide Attachment 2 in Excel spreadsheet format with the formulas intact and unprotected. In the Excel spreadsheet version of Attachment 2,

identify all amounts that are “temporary placeholders” in some way (for example, by highlighting with a specific color).

3. Refer to the Kravtin Testimony, page 22. Provide the supporting calculation for the .552 net-to-gross ratio for poles for the “2014 test year.”
